

About IFHE

IFHE is organized with about 1500 individual members and 150 organizations in more than 50 countries around the world.

The IFHE Council consists of member delegates and the Executive Committee. The Council meets every two years and is responsible for defining the Program of Work for IFHE.

The IFHE Executive Committee (EC) is responsible for implementing the Program of Work established by IFHE. The EC consists of the President, the Treasurer and two elected representatives of each region (Africa, America, Asia, Europe and Pacific). The EC meets once a year.

All IFHE members are invited to participate in topic related **Program Committees**.

The IFHE Secretary General is responsible for the administration and organization of IFHE which has international headquarters in Bonn, Germany.

Atlanta, Georgia

What is IFHE?

The International Federation for Home Economics (IFHE) is the only worldwide organization concerned with Home Economics and Consumer and Family Studies. It was founded in 1908 to serve as a platform for international exchange within the field of Home Economics. IFHE is an International Non-Governmental Organization (INGO) in consultative status with the United Nations (ECOSOC, FAO, UNESCO, UNICEF) and with the Council of Europe.

Goals of IFHE

- Global networking among professionals
- Promoting the recognition of Home Economics
- Creating awareness for the importance of Home Economics competencies for everyday life
- Developing education opportunities in Home Economics
- Improving the quality of everyday life for individuals, families and households worldwide

Why join IFHE?

- International Information and Publications (Home Economics News)
- Congresses and Workshops:
 - **2020 World Congress, Atlanta, GA**
 - Council Meeting biannual
 - Annual Meeting (all committees)
 - Various events on international, national and regional level
- Representation of Home Economics interests at the international level

Membership Categories

Individual Members participate in practice, education, or research of Home Economics or related subjects and occupations or are interested in these topics.

Organizational Members are professional associations, universities, businesses, schools, and other organizations involved in Home Economics or related subjects and occupations.

Student Members are undergraduate or graduate students engaged in study of home economics or related subjects and occupations.
