- Offered to attendees from developing countries
- Individual and Affiliate donors needed
- Donors will be recognized
- Questions? Contact Bev Card and Janine Duncan,
bmwcard@gmail.com duncanjm@ksu.edu

The IFHE World Congress Executive Committee needs individuals and organizations to donate funds for travel grants.

An important aspect of this World Congress is ensuring that our colleagues from around the world have an opportunity to attend the meeting. Travel to the United States is costly from distant countries.

IFHE-US is committed to supporting colleagues (especially those who are first time attendees, full-time students, and presenters from economically developing countries) through a \$1,000 travel stipend that will cover registration and a good portion of lodging.

Donations in \$1,000 increments are certainly *welcome*, but so are smaller amounts that can be pooled for a travel award.

We appreciate your generosity! Make checks out to IFHE-US, for any amount. Mail check to Luann Boyer, IFHE-US Director of Finance, 22500 Road 21, Fort Morgan, CO 80701

All donations are needed by June 30, 2019. Travel Grant Awards will be announced December 2019.
