International Federation for Home Economics - United States Affiliate

IFHE-US

IFHE

INTERNATIONAL FEDERATION
FOR HOME ECONOMICS

- ◆ Founded in 1908, IFHE is the Global Voice for Home Economics.
- ◆ IFHE provides a Global Forum for Home Economists to advance the profession and achieve sustainable living for individuals, families and their communities.

IFHE Mission

- Achieve optimal and sustainable living for individuals, families and households through responsible management of resources.
- Promote the value of households as an environment where individuals are assisted to reach their potential and acknowledge their global interdependence.
- Raise awareness that households operate within a larger environment and family well-being impacts all forms of social and economic development.
- Advocate for Home Economics education and support research which establishes an ecological perspective on households.

**United States Attendees at
2022 World Congress
in Atlanta, Georgia
celebrate a successful event.**

**SAVE June 24-29, 2024
